Hello, this is Shane with Fairman Memorials. I wanted to ask if I may display an all-weather banner that would be 2 1/2 foot by 1 1/2 foot? I was going to have the banner design mimic my business cards as attached below. I felt that if I could display this, it would help families that may need their headstone cleaned or restored, or even perhaps a headstone in general. I know this has to be brought up to the board meeting, I wanted to start here. I love what I do and have been doing this for families for many years under the Brusie name until 2 years ago when I went out on my own. Getting the word out and being able to do more is a dream. Please let me know :))

Thank you,

Shane Fairman

Hello, this is Shane with Fairman Memorials. I wanted to ask if I may display an all-weather banner that would be 2 1/2 foot by 1 1/2 foot at the entrance of your cemetery? I was going to have the banner design mimic my business cards as attached below. I felt that if I could display this, it would help families that may need their headstone cleaned or restored, or even perhaps a headstone in general. I know this has to be brought up to the board meeting, I wanted to start here. I love what I do and have been doing this for families for many years under the Brusie name until 2 years ago when I went out on my own. Getting the word out and being able to do more is a dream.
